When the Business Manager or his designated representative deems it advisable, he may, upon written notice to the Employer, appoint from the Employer's existing work force a Steward or Stewards on any given project. In the event an Employer is performing work on a project covered by this Agreement without the employment of any Local #41 or Local #81 members, the Union shall have the right to appoint a steward from the respective Local Union to be employed. This is not to be interpreted that Local #41 or #81 is only entitled to one member on the project. All Stewards will have Union training, or will be afforded the opportunity to receive the Stewards training during non-work hours, provided they are willing to be trained. Said Steward is to be recognized by the Employer and he shall have the right to act on any grievance without discrimination. Said Steward shall be a working Employee and shall be retained on any given project as long as, or when any Employee covered by this Agreement is employed on the project by the Employer, in accordance with Article VII, Section 1 (b).

When overtime or weekend work is required, the Steward will have the first opportunity to work unless the Employer needs an Employee who possesses a certain skill the Steward cannot perform. In the event of an emergency, the Employer may determine the most qualified Employee called. In this case, the Steward will be the second person called.

Section 4. In the event of a general lay-off by the Employer for any reason, the Steward shall be the first Employee recalled, unless the Employer needs an Employee who possesses specific skills that a Steward cannot perform. In that event, the Employer may recall another Employee and the Steward will be the second man recalled.

In the event Employees covered by this Agreement are laid off permanently or discharged, they shall be paid immediately. It is strictly understood and agreed that, should any Employee discharged or laid off permanently be required to report the next morning to collect his pay he shall receive four (4) hours show up pay for reporting for his pay for each subsequent morning on which he returns until paid. Employees who quit voluntarily shall be paid at the next regular pay day. However, when Employees are laid off or discharged between the hours of 6:00 p.m. Friday through 8:00 a.m. on Monday because of unscheduled or emergency requirements, the Employer will be paid by 11:00 a.m. Monday, unless special arrangements are made with the Employer. This will in no way supercede the Employer's requirement to pay the regular scheduled payday or lay-off as outlined above.

Section 2. Each weekly pay shall be accompanied by a statement listing the name of the Employee and Employer, the date, the number of hours worked, both straight and overtime, the monies deducted and for what purpose said deductions were made.

Provisions of this Sub-Contracting Clause shall be suspended for the following conditions on a project:

Section 2. The arbitrator's decision shall be final and binding on both parties.

It is agreed, however, that compliance with a final decision of the arbitrator pending a judicial review of such decision shall not be deemed a waiver of the right to seek judicial review.

The cost of the arbitrator shall be borne equally by both Parties to the grievance and/or dispute.

Section 2. Notice of the grievance or dispute shall be made to the Employer and Local Union involved, in writing, by certified mail, within ten (10) days from occurrence of the alleged violation or dispute.
